## Dartmouth Skating Club

Winter 2020

FutureStars

**Skate  
Canada**  
Passion. Spirit. Triumph.

**FutureStars** – Is an introduction to all aspects of figure skating: free skate, ice dance, skating skills and interpretive skating. This program has been designed to fill the gap between CanSkate and StarSkate. This program is taught by Club Coaches and Program Assistants. It is recommended that a skater have completed stage 3 or have permission from the program manager. **All skaters must wear properly fitted figure skates and a CSA hockey helmet until stage 5 is complete.**

Skates can be purchased and sharpened at Skates on the Move:  
Shawn Mury - 902-456-2588

Progress will be accelerated if your skater skates two or more times a week and has private lessons. Private and semi-private lessons may take place at any time and are to be arranged and discussed with your private coach. If interested in starting private lessons, please contact the program manager. Kyla McNeil Upton – kyla.upton.dsc@gmail.com

All registered DSC Home Club FutureStars must participate in the DSC mandatory Fundraising Activities each year. During the 2019-2020 season, all FutureStars will be selling tickets on a gift card basket with a value of \$500. FutureStars will each be receiving 30 tickets for the Fall Season and 30 tickets for the winter season. The Mandatory sales amount is \$60.00 per season and is due with registration payments. All funds raised through ticket sales will be retained by the skater. All tickets (sold and unsold) must be returned to Dartmouth Skating Club by December 1<sup>st</sup> for Fall Tickets and March 1<sup>st</sup> for Winter tickets. Please note all funds raised will go directly to helping offset ice cost. Participation in mandatory fundraising is necessary to be in good standing.

Second mandatory fundraiser will be a live auction in Spring 2020. Each skater is required to donate at least one auction item with a minimum value of \$25.00. Items are due by February 1<sup>st</sup>
